

# BANDITS IN DARING TRAIN ROBBERY

## MAIL CAR ON ILLINOIS CENTRAL LIMITED IS LOOTED NEAR PAXTON

### SEVERAL OF TRAIN CREW ARE WOUNDED

#### Robbers Compel Fireman to Uncouple Engine, Baggage and Mail Car—Blow Safe and Take Registered Mail—Car Set Afire by the Blast—Men Escape in Automobile

(By The Associated Press)  
PAXTON, Ill., Nov. 7.—A dozen bandits armed with pistols, shotguns and bombs, which they used freely, wounding several trainmen and mail clerks, tonight held up the New Orleans limited train on the Illinois Central Railroad and with true wild west tactics looted the mail car of all the registered mail and valuables in the safe and then escaped in waiting automobiles which were stationed two miles south of Paxton.

The train was first stopped on a bridge over a small stream by three bandits on the train, who crept to the engine cab over the tender and held up the engineer and fireman, made the fireman disconnect the mail and the baggage car and drive further south, where the rest of the desperadoes helped in the bombing, dynamiting and firing of the mail car before it could be entered and looted.

The all steel train left Chicago loaded with passengers at 6:30 tonight and crashing thru Paxton at high speed had gone some two miles when the fireman turning to take a top full of coal saw masked men sliding down the coal pile in the glare of the open fire box door. He stepped back hurriedly, dropping his shovel. The noise attracted the attention of the engineer, who took his eyes from the rails a moment to ascertain what was the matter.

He saw the fireman facing the tender with his hands partly raised as the hesitating whether to leap at two armed men who were visible just beyond him.

"Get back there," he heard one of the men command the fireman. The stoker still hesitated and the foremost bandit struck him on the head with a pistol. The fireman staggered back toward his side of the cab and the second robber advanced toward the engineer with two revolvers aimed at him.

"Stop the train," shouted one of the masked men, holding a pistol toward the engineer, while another bandit covered the fireman. The engineer closed the throttle but hesitated to apply the brakes until the robber, stepping closer, poked the barrel of his revolver in the grimy face of the driver and commanded, "give her the air quick."

The engineer soon brought the train to a stop. The bandits then commanded the fireman to uncouple the mail and the baggage cars, covering him constantly with their weapons. As soon as these coaches were disconnected, the bandits escorted the fireman back to the cab and ordered the engineer to proceed.

As the headlight flashed on the railing of the bridge over a creek a mile south of the holdup, the robbers commanded the engine crew to stop.

When the locomotive, the mail car and the baggage car had come to a halt the bandits told the engine crew to try to enter the mail car on the pretext of borrowing a wrench. The trainmen did as commanded under duress but the clerks refused to open the door. The robbers then shouted thru the door of the steel mail car that the engineer and fireman would be killed if they did not open the door.

## MARSHALL FOCH IS GIVEN WELCOME BY STATE OF MICHIGAN

### Huge Crowd Greets French War Hero at Detroit

(By The Associated Press)  
DETROIT, Mich., Nov. 7.—Marshal Foch's journey into Michigan today was over a path strewn with flowers. His welcome was from practically the entire population of the cities in which he stopped. Detroit's welcome, interpreted by the number of people who crowded the thoroughfares through which he passed, exceeded that of any city he has visited with the possible exception of New York.

Canada also joined with Michigan in welcoming the marshal of France. Windsor, Ontario, sent a number of the Maple Leaf soldiers to participate in the parade, including a Highland band.

Marshal Foch and his party did not arrive until 1 o'clock, coming from Chicago by way of Camp Custer, Battle Creek, Jackson and Ann Arbor.

Leaving his train here, the marshal found his pathway to the street strewn with roses and chrysanthemums, the tribute of flower workers and nurses, who arrived in the war.

After a formal reception in the city hall, where he was welcomed by Mayor James Couzens, he was driven in the parade through the downtown streets and to two of Detroit's large automobile factories. He made a tour of one of the factories and expressed surprise at its magnitude.

He then rested before attending the banquet in his honor and the mass meeting in the armory.

The entire faculty and student body of the University of Michigan, besides Ann Arbor's citizens, were at the Ann Arbor station to welcome Marshal Foch.

Marshal Foch left after midnight for Cleveland, where he will arrive at 9 o'clock tomorrow morning to be the guest of that city for two days.

**WALTER AYERS AT HOME**

Friends of Walter Ayers will be pleased to learn that he has so far recovered from his recent injury as to be able to leave the St. Mary's sanitarium and return home. He hopes in due season to be about again with his friends.

## SIR JAMES CRAIG CONFERRING WITH PREMIER GEORGE

### Sinn Fein Delegates Confident of Final Result

(By The Associated Press)  
LONDON, Nov. 7.—The Sinn Fein delegates in London are awaiting patiently and, they say, confidently the result of the conference between Prime Minister Lloyd George and Sir James Craig the Ulster premier which were continued this afternoon and in which other members of the Ulster cabinet are expected to participate before the end of the week.

Viscount Fitzalan, Lord Lieutenant and Governor General of Ireland was called into the conference today and many Irish political leaders and officials as well as British Unionists also are being consulted.

Meanwhile Michael Collins and George Gavan Duffy, members of the Sinn Fein delegation held a further consultation with Eamonn De Valera in Dublin today, but it was pointed out at the Sinn Fein headquarters in London that nothing could occur on their side until the conclusion of the conference Mr. Lloyd George and the Ulster premier. They declared nothing had been agreed to.

They said Sinn Fein had put before the government plans on which they considered the problem could be solved and that the movement likewise had made proposals. As one of them said today:

"We know what the government's plans are and the government knows what ours are. We hope the government is sympathetic to ours. That is as far as it has gone so far, and the outcome depends upon the view Ulster takes."

This afternoon's conference between Mr. Lloyd George and Sir James lasted an hour and a half. It was regarded as likely tonight that the Ulster premier would return to Belfast soon to discuss with the Ulster cabinet the question has been asked while in London.

An Associated Press despatch from Dublin tonight said that Mr. Collins and Mr. Duffy were leaving for London tonight. The same despatch reported that nine prisoners were released from Curragh yesterday and that several others had been released from the Bally Kinlar camp and from other internment camps.

## REVISED TAX BILL PASSED

(By The Associated Press)  
WASHINGTON, Nov. 8.—The much-revised tax revision bill, finally was passed by the senate at 1:35 a. m. today (Tuesday) after a session lasting more than fifteen hours. It still must run the gauntlet of the senate and house conferees before it reaches the president.

As now drawn, the bill is estimated by treasury experts to yield approximately \$3,250,000,000 for the fiscal year ending next June 30, or \$200,000,000 less than the existing law. If all the changes proposed become effective, however, the measure ultimately will reduce the nation's tax bill by approximately \$750,000,000.

The vote was 38 to 24, three republicans, LaFollette, Moses Norris, voting against the bill, and one democrat, Broussard, supporting it.

Senate conferees on the bill were named as follows: Penrose, McCumber and Smoot, republicans; Simmons and Williams, democrats.

The bill is to be reported to the house Wednesday and republican leaders plan on Thursday to send it to conference.

## STATE IS READY TO PROCEED WITH TRIAL, PREE SAYS

### Small's Attorneys Fail to Appear in Court Monday

(By The Associated Press)  
SPRINGFIELD, Ill., Nov. 7.—Counsel for Governor Small, who failed to appear in the Lake county circuit court at Waukegan today, when Assistant States' Attorney Edward Pree told Judge Edwards that the prosecution was ready to proceed with the Small-Curtis trial, will present themselves before the court some time this week.

This announcement was made tonight by Werner W. Schroeder, the governor's confidential man, upon his arrival in Springfield. "I was not personally advised that the prosecution would appear at Waukegan today," Mr. Schroeder said, "but of course the prosecution is under no obligation to inform me personally, as I have not as yet appeared, on record in the case, although I will before long. We will be there some time this week—I am not prepared to say just what day. Neither can I say just what our first step will be. I hope the trial can be started some time in December."

Mr. Schroeder will be accompanied to Waukegan to C. C. Leforgee, chief counsel for the defense, it was said tonight.

Rumors which have been afloat for several weeks that former Gov. Joseph W. Fifer, George B. Gillespie and James M. Graham would be no longer associated with the case, were neither affirmed nor denied here today.

Mr. Fifer, who was in Springfield, said he had "nothing to say." The former governor paid a brief visit to the Illinois commerce commission offices and left the statehouse without going to the governor's office. None of the three attorneys, who were at first in charge of the governor's case, have appeared in any prominence in it since Leforgee and Schroeder assumed control of the defense, weeks ago.

Governor Small, upon his return to the capital today, went immediately to his office and plunged into the tedious task of affixing his signature to the second batch of road bonds which were on his desk. The governor had completed close to 1,000 bonds when he quit the job tonight.

Asked why his attorneys did not appear in the Lake county circuit court today Governor Small replied:

"Saturday night's Chicago Journal and Sunday morning's Chicago Tribune both representing the prosecution, published articles that the transcript of only one case against me had been sent to Waukegan and that there had been no agreement as to the other two cases and that those were still to be tried in Sangamon county."

"Attorney Schroeder came to Springfield today to look at the docket and see whether or not that report was true. He discovered, however, that the transcripts in all three cases had been sent to Lake county, and apparently the Tribune and Journal articles were absolutely false and without foundation, as State's Attorney Mortimer told Mr. Schroeder today that he had had no intention of going back in agreement made with my attorneys and the order of Judge Burton transferring all three cases to Lake county." At Decatur C. C. LaFollette made the following statement:

"Attorney for the governor will appear promptly at Waukegan. The notice that attorneys for the state would appear which I considered an arbitrary one, did not reach me until yesterday afternoon and I did not have time to make the trip. When we determined the nature and character of the record in the case we will appear promptly in the circuit court of Lake county."

## PREMIER BRIAND IS GREETED ON ARRIVAL BY SECRETARY HUGHES

### French Official Heads the Delegation from His Country to Disarmament Conference—Is Given Cordial Greeting by Official Washington—Is Pleased With Reception

(By The Associated Press)  
WASHINGTON, Nov. 7.—The French delegation here to the conference on limitation of armament and Pacific affairs was completed tonight with the arrival of M. Aristide Briand, premier of France, at the head of several delegates from that country, he, with the other members of the party were greeted by officials representing the American government and cheered by thousands of spectators gathered about the railway station.

Secretary of State Hughes was the first to grasp the hand of the French premier and to extend the government's welcome to the visitors as they stepped from the special train. It was the second occasion of which the secretary had personally welcomed a conference group at the station.

General Pershing, as the ranking representative of the army, also was present and was the first to salute and greet General Buat, chief of staff of the French army, and acting military adviser to the delegates representing France at the forthcoming conference.

Other officials from the state department and the army met the visitors in New York and accompanied them on the special train here. They included Robert Woods Bliss, third assistant secretary of state; Jules Jusserand, French ambassador to the United States also accompanied the party from New York.

Brigadier General Brewster, Admiral Coontz, chief of naval operations and members of the state department staff were among others of the official reception committee at the station. After introductions had been exchanged in the president's room at the station, Premier Briand and Secretary Hughes with their respective staff officials were escorted thru the plaza entrance and into automobiles waiting to take them to their downtown residences. Then came the leader's call "attention," and the squadron of cavalry instantly presented arms.

The military band followed with the Marseillaise while the party members stood rigidly to attention.

No sooner had the final note of the French anthem mellowed away than the band broke into the strains of The Star Spangled Banner and the officials again uncovered or saluted in military fashion. Then came the leader's call "attention," and the squadron of cavalry instantly presented arms.

Mr. Briand expressed pleasure tonight with his reception both in New York and Washington.

"Did you see the capital?" one of his callers inquired.

"I saw a dome," he responded, "and made the deduction that it was the capital. If the problems of the conference should be as easily solved, it would not offer any difficulty."

The premier said he would rather not touch on the questions involved in the conference until he has had the opportunity of being received by President Harding.

## CANDIDATES IN NEW YORK END THEIR CAMPAIGN

### All Are Watching to See What the Women Voters Do

(By The Associated Press)  
NEW YORK, Nov. 7.—Canny caution, clung tonight to the tongues of political prophets on the eve of New York's 1921 municipal election, for all candidates were watching warily the way in which Father "Knickerbocker's" daughters should cast their ballots on the morrow for the first mayor they help to choose.

Henry Curran from Manhattan heads the coalition ticket.

Neither Mayor Hylan nor Curran, conceded to be the leading aspirants for mayoralty honors apparently thought his position sufficiently secure to warrant a holiday on the day before the ballots were cast and each continued his campaign clamorings to the zero hour.

And the topics which the candidate chose for their final addresses were the topics on which they had thundered for many long weeks of campaigning—the "five cent fare," a program for enlarging New York's public school system, "home rule" for the city, conduct of city departments free from graft and inefficiency and polling of the city. Entered in the mayoralty field with Hylan and Curran are Magistrate Jacob Panken, Socialist; Jerome DeHunt, Farmer-Labor; George K. Hink, Prohibition; John P. Quinn, Socialist Labor; Joseph Miller, Single-Tax, and Benjamin Gitlow, Workers League (Communist).

The board of election officials scratched Gitlow because he now is serving a term in Sing Sing for criminal anarchy, with Harry Winitsky, his running mate, for president of the board of aldermen. His supporters, however, are planning to write his name in to the ticket.

Women are running for a number of offices—including Mrs. Rose Pastor Stokes, who, under the Communist banner is seeking the presidency of the borough of Manhattan.

The total registration this year is 1,263,946. Men total 816,325 and women 447,621.

**DATE OF DOLLAR DAY IS CHANGED**

The trade extension committee of the Chamber of Commerce met yesterday and decided at that time to change the date of Dollar day from December 7 to November 22, because the former date was too near the holidays. The Dollar day will be widely advertised and the merchants will have large placards displayed. This is being out on by the same committee which managed the Booster Special sale and the big Halloween festival, so it will be something to look forward to.

## FAILS TO CLOSE BREACH IN NEW YORK MILK STRIKE

### Open Shop Operation is Cause of Continued Strike

(By The Associated Press)  
NEW YORK, Nov. 7.—Health Commissioner Copeland today failed in an attempt to close the breach between milk distributors and their union employees who struck last week.

The employers stood by their avowed determination to operate in the future on the open shop basis while in the meantime no deliveries of milk were made to houses and purchasers had to go to milk stations or stores for their supplies.

Dr. Copeland described his appeal as made in the name of the public, its health and especially 130,000 babies of the city, who were exposed to disease, he declared by prevailing conditions.

The employers replied they were tired of "union domineering and intended to recapture their business from the hands of labor leaders."

An injunction prohibiting strikers from interfering in any way with the distribution of milk by three of the largest concerns was issued today.

Incidental disturbances were reported from several sections, a committee of women of the milk drivers' auxiliary complaining to Mayor Hylan that police were treating strikers with "brutality."

## PREMIER HARA'S FUNERAL HELD IN TOKIO YESTERDAY

### Rites Were of Simple Character and Largely Attended

(By The Associated Press)  
TOKIO, Nov. 7.—The funeral of the late Premier Hara today was of the simplest character. The ceremony at the residence was attended only by personal friends. Mayor Goto representing the city and the citizens. The services were conducted by the Buddhist priest and seven assistants after which the funeral cortege moved to the Seiyukai headquarters.

The widow and the closest relatives and friends of the late minister followed immediately after the body and were received at the entrance. The coffin was placed on an altar surrounded by many wreaths, including floral offerings from the emperor and empress, Crown Prince Hirohito, Field Marshal Yamagata, Marquis Saionji and all the most prominent embassies and legations.

While the body lay in state, thousands passed the bier, among them imperial representatives, princes, field marshals and ministers. Tonight the body was conveyed to a special train which carried it to Morioka, where the final ceremony will take place November 11.

**IS CANDIDATE FOR CONGRESSMAN AT LARGE**

Announcement was recently made that John A. Logan of Benton will be a candidate for congressman at large. Mr. Logan is a prominent lawyer and was a candidate for congressman at large years ago. Other contenders were Medill McCormick, the late W. E. Mason, and B. M. Chisler. Mr. Logan, polling the fourth largest vote.

Mr. Logan is favorably referred to by the News Gleaner of Shawneetown and other papers in southern Illinois, a locality where he is especially well known.

## OHIO WILL VOTE ON SOLDIER BONUS

(By The Associated Press)  
COLUMBUS, O., Nov. 7.—Except for a proposed amendment to the state constitution providing for a bond issue of \$25,000,000 for a soldier's bonus, chief interest in the Ohio election tomorrow appeared tonight: to be centering in municipal elections. Should the bonus amendment carry, the state will pay Ohio men and women who enlisted in the army, navy and marine corps \$10 for each month served, the total not to exceed \$250.

The American Legion has been conducting a determined campaign effort and officials of that organization tonight predicted it would be successful by a large vote. Only two other state issues besides the bonus amendment will be voted on and because of an evident lack of interest politicians of all parties here tonight predicted their defeat.

They are proposed constitutional amendments providing for a senatorial re-districting of the state for the first time since 1851, and for a poll tax, which was eliminated in the framing of the new constitution of 1912.

**MARRIED IN CHICAGO**

Mr. and Mrs. George Brown of the Third ward have received word of the marriage of their son, Arthur in Chicago, but are without any other particulars whatever. The young man was at one time a carrier for the Journal and has many friends in Jacksonville who will wish him all happiness. Arlington cemetery.

## CLEVELAND MILK STRIKE STILL ON

CLEVELAND, O., Nov. 7.—The local milk strike tonight had settled down to a long drawn out fight between the Telling-Bell-Vernon company and its 800 wagon drivers, over the question of arbitration of working conditions.

Defeated in his attempt to have dissolved an injunction restraining him from taking over the Telling-Bell-Vernon company's plant or interfering with the distribution of milk, Law Director William R. Woods said there was nothing left for Mayor W. S. Fitzgerald to do. In ruling the injunction would not be dissolved, Judge Maurice E. Bernon declared there was no legal authority that justified the confiscation of the plant by the mayor.

## REQUESTS RINGING OF CHURCH BELLS

SPRINGFIELD, Ill., Nov. 7.—Governor Small tonight supplemented his Armistice Day proclamation of Nov. 1 by requesting that public and church bells in Illinois be tolled between 10:45 A. M. and 11 A. M., on November 11.

The governor's request was made following receipt of a message from Secretary of State Hughes containing President Harding's proclamation and the president's suggestion that bells throughout the nation be tolled during the hour of the burial of America's unknown warrior at Arlington cemetery.

## ATTEND LINTON SERVICES AT GIRARD

A large number of Jacksonville and Morgan county people attended the closing service of Rev. D. C. Linton's revival services held in Girard last week. At noon Sunday the ladies of the Girard church served a cafeteria lunch. During the meetings a total of 150 were converted and almost \$500 given in the free will offerings for the evangelists. The services had many interesting features, including a testimonial service, in which a large number participated.

**THE JOURNAL SCHOOL BOARD HELD MONTHLY SESSION**

Schools Will Take Part in Armistice Day—Underweight Facts to Have Attention—Plan to Acquire Picture Machine.

The board of education met last night. It was decided to take part in armistice day events; to have a moving picture outfit without cost to the board; to look into the matter of underweight of children and have talks in the schools from anti-cancer association representatives.

The proceedings:

Present were: Members Black, Duncan, Hopper, Muehlhausen and Rogerson. Pres. Lippincott in the chair. Bills, \$3665.19 and salary list \$13258.94 were read and ordered paid.

The matter of renting the Springer property for residence purposes was brought up but it was the sense of the board that it be not done and it would require too much expense to put the building in proper order or condition and there would be need of considerable time to get it in shape for the open air school.

A committee consisting of Members Duncan, Muehlhausen and Hopper was appointed to investigate the matter of suitable quarters for open air school. Member Black called attention to the report of the health nurse who stated that 32 per cent of the school children were under weight and he remarked just about that per cent of applicants for admission to the army in the World war were found unfit. The matter was discussed informally at some length.

The matter of armistice day brought up and it was deemed suitable to have the pupils of the schools participate in the exercises and parade. It was decided to have a quarter session in the morning and have programs suitable for the occasion so that the pupils will be taught the significance of the day and then have all participate in the parade.

The superintendent said the penmanship department was showing much advancement and making great interest in the work and they needed a \$25 victrola for their work and were willing to pay half the cost if the board would agree to pay the other and it was decided to do this.

The superintendent called attention to the home economics department which needed suitable equipment for dining, bed and living rooms and was instructed to see what was needed and report.

The superintendent was authorized to procure a moving picture outfit for use in the auditorium provided it will be self supporting and cost the board nothing for original purchase.

Member Black said next week there were to be visits from representatives of the anti-cancer association and the superintendent was instructed to permit them to make addresses and give the pupils leaflets to take home.

Adjourned.

Superintendent's report: Enrollment, 2323; average daily attendance 2171.7.

Health Report — Professional visits, schools and agencies, 1331; examinations—No. pupils examined, 634; defects, 108; health talks, etc., 22; contagion, No. inspections, 56.

**WINCHESTER FUNERAL LARGELY ATTENDED**

Services for Late Roy Hamilton Sunday at Baptist Church—Mrs. John Kuck Passed Away—Other Winchester News

Winchester, Nov. 7.—Funeral services for the late Jacob Roy Hamilton were held Sunday afternoon at 2 o'clock at the Baptist church. The funeral was one of the most largely attended ever held in Winchester and was very impressive in character. The service was opened by a number from a quartet composed of the Misses Louise Frost and Martha Higgins, and Messrs. S. G. Smith and Samuel Cochran.

Following the Scripture lesson and prayer, by Rev. W. S. Elmore, Mr. Smith sang as a solo, "Face to Face." The funeral discourse was delivered by Rev. W. R. Johnson and this was followed by a prayer, from Rev. Mr. Corrie. The quartet then sang, as a closing number, "Beautiful Isle."

It was a military funeral and the long procession to the cemetery was led by a cession drawn by four horses. Next came the firing squad, members of the Knights of Pythias and Odd Fellows organizations. The American Legion had charge at the grave. The honorary pallbearers were Russell McLaughlin, Glenn Peak, Albert Hamilton, Arvy Smith, Earl Claywell and Roy Coultas. The active pallbearers, all members of the American Legion, were Clyde North, Allen Stewart, Fred Woodall, Harry Coultas, Leslie Andell and Ray Stewart.

There were many beautiful flowers and they were in charge of Mrs. Herbert Stice, Mrs. John Andell, Mrs. George Woodall, Mrs. Wesley Andell, Mrs. Mary Taylor, the Misses Mildred Burns, Anna McLaughlin and Ethel McClure.

Among those at the funeral were relatives and friends from Macomb, Davenport, Ia., Merritt and Jacksonville.

**Mrs. John Kuck Dies**

Mrs. John Kuck passed away very suddenly at her home Sunday at 6 o'clock. The deceased had been in poor health for a considerable period but her final illness began at 2 o'clock Sunday. Her death came as a great shock to her many friends, most of whom were not aware of her illness until the news of her death came.

The deceased, who before her marriage was Miss Sadie Dobson, was a daughter of Mr. and Mrs. James Dobson and was born west of Winchester forty-five years ago.

Mrs. Kuck is survived by the following children: Florence, Paul D., Harry and John, at home; Russell, of Peoria; and Cecil, of Tulsa, Okla. She is also survived by her mother, two brothers, Joseph and John Dobson, and two sisters, Mrs. Daisy Hazelrigg, all of Winchester, and Mrs. Paul Green, of Chicago.

The funeral will be held at the late residence at 2 o'clock, Wednesday afternoon, in charge of Rev. W. R. Johnson.

**New Notes**

The Epworth league of the Methodist church had an interesting program Sunday evening. Miss Brown of Chile, South America, a student at I. W. C. in Jacksonville, gave a very interesting talk on her home country, and Miss Terhune of Elora, Ill., also an I. W. C. student, gave a very pleasing solo. Miss Terhune also sang at the evening church service. The two Jacksonville visitors were accompanied by Miss Betcher, also a student at the Woman's college.

Mrs. Nellie Bean arrived Saturday from Davenport, Ia., called here by the death of Roy Hamilton.

Russell and Virgil Campbell, Ralph, Russell and Clarence Little, all of Jerseyville, drove to Winchester Sunday, in the Campbell car, and were entertained at the pleasant country home of Mr. and Mrs. William Lyons, and family.

The Woman's club will give the first number on their Lyceum course Tuesday evening, when the Tennessee Duo Concert company will appear.

**FUNERALS**

Griever.

Funeral services for Mrs. Delpha Griever were held from the Old People's home at 10:30 o'clock Monday morning in charge of the Rev. Myron L. Pontius, pastor of Central Christian church.

Music was furnished by Miss Katie Clarkson and Miss Crum. Burial was in Diamond Grove cemetery, the bearers being A. C. Rice, George Harney, Mr. Bennett, Mr. Coleman, Carl Eiter and Lester Bateman.

**Eckhoff.**

The funeral services of Vida L. Eckhoff were held at 11 o'clock Sunday morning at the St. Paul's Lutheran church north of Chapin, in charge of Rev. J. H. Sieving. The church was filled with relatives and friends of the family. The music was furnished by a quartet including Miss Dorothy Eilers, Mrs. Herbert Schumaker, Mr. Erwin Aufdenkamp and Mr. John Eilers, with Miss Letha Eilers at the organ.

There were many beautiful flowers and these were cared for by the Misses Elda Ommen and Ada Wolkers. The honorary pallbearers were Misses Meta Eilers, Augusta Tieman, Marguerite Dickens and Erna Sieving. The pallbearers were Delbert Aufdenkamp, Arlo Schumaker, Alvin Dickens, Russel Werries, Fred Tieman and Herman Sieving.

The death of Vida L. Eckhoff occurred last Thursday at 12:40 p. m., at the age of sixteen years, 6 months and 4 days.

Her mother preceded her in death two years ago, leaving her father, J. P. Eckhoff, and one brother, Fred, Jr., to survive her.

UNITED BUDGET  
NOVEMBER 13-20

Those who are acquainted with the workings of the United Budget plan elsewhere, those who are familiar with the successful operation of this form of civic campaign in other communities, are among the most enthusiastic advocates of its use in Jacksonville.

Rev. R. O. Post, who as a representative of the Red Cross, in Ashtabula county, Ohio, several years ago, came to know and thoroughly understand what the United Budget plan will do for a community if properly handled and managed.

The United Budget committee appreciates the following communication from Doctor Post, wherein he gives reasons for the success of the plan as carried out in Ashtabula county and as it is planned to carry it out here:

"You have asked me to write something of the working and results of the United Budget plan as I have seen it in operation in Ashtabula county, Ohio. With great pleasure I respond to your request for without hesitation, I can reply most satisfactorily.

"The reasons are three-fold. First, it unites the public in one common altruistic effort, thus creating social strength and unity; awakening the dormant heart of the community to a vivid

sense of its social obligation to the needy in our midst. A sensitive social consciousness is the highest product of our modern civilization.

"Second, it brings into coordination all the charitable organizations and by so doing, eliminates waste—the great harm of all charitable work. The churches, lodges, and other fraternal organizations, working through the Social Service league, while meeting every necessity, will prevent duplication of service. The economic reason is sound.

"Third, it removes completely the annoyance of continued appeals being made throughout the winter, and gives in place, a happy sense of assurance that the right thing is being done by the right agency to meet in full our obligation to the less fortunate.

"If the executive committee make a wise and just apportionment of the funds proposed to be raised, the happiness ensuing from this United Budget plan in operation will make it become a fixture, and nothing will ever again move Jacksonville to revert to the old way of drive after drive, until the public is driven to distraction.

"Sincerely yours,  
R. O. Post."

## NOTED TRAVELERS

Mr. and Mrs. O. R. Herriek of Louisville, Ohio, drove into the city yesterday on their way home to their town, near Canton, O., after a trip thru Oklahoma, Arkansas, Kansas and other western points.

They did some camping by the way and were sunburned, hearty and happy and very pleasant people to meet. Mr. Herriek said he was a railroad man and had been continuously in the service for many years and two years ago he asked for a vacation and hadn't reported for duty but, though he didn't say so, there is no doubt but that his services will be deemed so valuable that he will at once be assigned to a good position.

The gentleman casually mentioned the fact that he is a brother of Ambassador Herriek, who came so near being killed by an anarchist bomb explosion in France not long since. He looks as if he might be related to such a man and that he himself might be able to grace almost any position.

Woodson Christian church will serve burgeo soup, sandwiches, pie and coffee, dinner and supper Tuesday, November 8 in the church basement. Burgeo 75c per gallon and 10c per bowl.

PLEASED WITH WORK IN MORGAN COUNTY

It is most gratifying to visit Jacksonville and find the plans for the fifth annual Red Cross call so well organized thruout Morgan county. Representatives were present from different sections of the country at a meeting at the Pacific hotel yesterday and the sentiment was general that in all parts of the county the response would be most generous.

Morgan county will support the Red Cross, because of what it is doing locally—its soldier work, its nursing program and its work with civilian families in the county outside of Jacksonville precinct; it will support the Red Cross because of what it is doing nationally—its disaster relief, its vast public health nursing program and its work with disabled soldiers in hospitals thruout the county.

Grant Burgner, Field Representative Central Division American Red Cross.

HEAVY LOSS OF HOGS

W. G. Richardson residing near the Point, had a fine lot of nearly 20 hogs but has not many left, cholera having broken out among them and taking off nearly all. He had some vaccinated but said it was too late and he had no fault to find but worst of all, while examining a carcass he happened to picture the skin on his hand and he has been troubled with blood poison. It breaks out in one place and the doctor stops it and then it appears somewhere else. So far it doesn't seem to be serious but will bear close watching and Mr. Richardson is giving it that.

## LLOYD BLACK DIES FROM DIPHTHERIA

Former Morgan County Young Man Passed Away at Baylis

The death of Lloyd Samuel Black, son of Mr. and Mrs. Edward Black, of Baylis, occurred in that city Saturday evening as the result of diphtheria. The young man was born in Shiloh neighborhood in this county, and the family is counted as belonging to this county. Mrs. Robert Hunter of the Sinclair neighborhood, is a sister of the deceased.

Lloyd Black was sixteen years of age and was attending the Baylis high school. He was active in all the affairs of the school and a member of the basketball team. Two weeks ago last Saturday, he played a game with the team and the following day, was taken down with a throat infection. The first day it was considered a case of tonsillitis. A day later the case developed into diphtheria in malignant form. Dr. George E. Baxter, an uncle of the lad, was summoned in consultation with Dr. O'Connell. Anti-toxin treatment was given and a battle fought for the next ten days for the life of the boy. However, the disease was in such serious form that there was little hope for saving the young life, and the end came at the time indicated.

Lloyd Black was a fine, clean, young fellow, who was highly esteemed by all his associates. He attended the Methodist church in Baylis and was a leader in school affairs. Surviving are his parents, Mr. and Mrs. Edward Black; two sisters, Mrs. Edna Carbaugh, of Quincy, and Mrs. Robert Hunter, of Sinclair; and one brother, Edward Black, of Baylis.

The funeral will be held at Baylis cemetery this afternoon, and will be private.

How to Revitalize Wornout Exhausted Nerve

Your nerve power depends on plenty of good, red blood of the kind that organic iron, Nuxated Iron, helps make. Nuxated Iron is in your blood and it is the iron you need to make red blood. It is an easily absorbed iron, while metallic iron is not as it comes from the action of strong acids on iron filings. Nuxated Iron does not injure the teeth nor upset the stomach. It is an entirely different thing from ordinary metallic iron. It quickly helps make rich, red blood, revitalizes, exhausts nerves and gives you new strength and energy. Over 4,000,000 people usually are using it. Beware of substitutes always insist upon having genuine organic iron. Nuxated Iron. Look for the letters N.I. on every tablet. Sold by all druggists in tablet, never in liquid form.

BANDITS IN DARING  
TRAIN ROBBERY

(Continued from Page 1)  
shot unless the door was opened. The clerks under this threat opened the door a couple of feet and the engineer and fireman climbed aboard. No sooner were the trainmen in the mail car than they slammed the door in the face of the robbers.

Repeated demands from the gang of desperadoes were refused and the thugs placed a charge of dynamite under the front truck of the car. The explosion failed to damage the heavy steel coach and the detonation also failed to scare those inside to surrendering their fortress.

The robbers then fired with revolvers and sawedoff shotguns at the sides of the coach but the rattle of buckshots and bullets still failed to bring a surrender.

After a consultation the bandits placed a charge of dynamite alongside the door of the mail car. The explosion wrenched off the door. The mail clerks and the engine crew who had barricaded themselves within the car fired at the bandits but the attackers were too far below the floor of the car to be hit. The robbers replied by throwing two bombs into the mail car wrecking the interior and forced the defenders to sink down behind their barricade. The clerks and engine crew refused to come out until the bandits had thrown a firebrand among the wreckage of the interior of the car.

This set the debris afire and the defenders surrendered. The bandits then forced the mail clerks to throw out the "sacks with the red stripes on."

These are the sacks which contain the registered mail. By this time the interior of the car was blazing fiercely and the men were in danger of incineration. The crowded to the door and the robbers seizing their loot backed away, covering the men whom they allowed to descend from the flaming car.

Still keeping the mail clerks covered they marched the engineer and fireman to the locomotive and ordered them to proceed south. As the locomotive drew away, the robbers entered their automobile and drove away.

Those who were injured: H. Banks, fireman, Chicago, shot in shoulder while helping defend the mail car.

Thomas Baker, Carbondale, Ill., mail clerk, beaten with revolver in mail car.

B. Bovinette, Mattoon, mail clerk, shot through wrist and shoulder; not serious.

Arthur Moon, colored porter, Chicago, shot in chest and groin.

K. H. Knowlton, student, University of Illinois, shot through coat three times, skin grazed.

**MAY SECURE OLD SITE FOR FAIR GROUNDS**

Project Has Been Taken Up With State Officials—Officials Show Kindly Interest.

There is prospect that the old fair grounds will be available next year for the Morgan County Fair association. This latter has been discussed with Col. Smith, superintendent of the School for the Deaf. The grounds being included in the property of the school and tentative arrangements have been made. Other officials have also been consulted and the matter will soon have the attention of the head of the proper department.

Charles S. Black and H. J. Rucker of the farm bureau, together with E. E. Crabtree and R. Y. Rowe as members of a committee, had a conference with Colonel Smith yesterday relative to the subject. The old fair grounds if obtained will add interest to the fair and make expansion possible. Should the fair plans include racing a track will thus be available without much additional expense.

The old track is overgrown with grass but a comparatively small amount of grading would put it in the original condition. It should be understood that arrangements are by no means completed but that the project is well under way, with favorable prospect for satisfactory conclusion.

The work was undertaken at the request of the army medical service which explained that permanent records of unusual conditions of heart and lungs were desired for clinical instruction.

**AGED WOMAN INJURED BY AUTO**

Mrs. Julia Delaney, 137 West Chambers street, was run over last evening, by Mr. Seymour, a taxi driver, at the intersection of South Main and Chambers streets. The accident resulted in a broken leg for the lady, who is seventy-five years of age, and she was also badly bruised about the face. She was taken to Our Savior's hospital, where the fracture was set by Dr. F. A. Norris. She is suffering from shock, besides the other injuries, but is doing as well as can be expected.

SAMUEL T. ANDERSON  
PASSED AWAY MONDAY

Well Known Resident (Died After Long Illness—Prominent in Business Affairs for Many Years.

Samuel T. Anderson one of the city's best known residents died in Peoria at 4:30 o'clock Sunday afternoon. He had been ill for past year and several months ago was taken to Peoria for treatment.

Decedent was the son of the late James Anderson one of Jacksonville's pioneer residents who began business here in 1829 in the undertaking and furniture trade. Here Mr. Anderson was born June 9, 1846 and spent practically his entire life here except for a period of eight years following the war when he was in the employ of the United States Internal revenue department with headquarters at Atlanta, Ga.

Following his return from Atlanta he embarked in the undertaking and furniture business with his father. For many years the firm's place of business was on the west side of the square in a building which stood on the ground now occupied by the Breedon and Dorand store. After the death of his father Mr. Anderson continued in the business until his retirement from active business life sixteen years ago, when his stepson John G. Reynolds succeeded him.

Mr. Anderson was a member of the First Baptist church. He also was affiliated with Hospitalier Commandery No. 32 Knight Templar, Urania Lodge No. 243 I. O. O. F., Jacksonville Lodge No. 152 Knights of Pythias and Jacksonville Lodge No. 682 B. P. O. E.

One of Mr. Anderson's outstanding traits was his unflinching courtesy. Never a man of robust constitution Mr. Anderson was always cheerful and of pleasant manner and won thousands of friends in Jacksonville and Morgan county to whom news of his death will come with regret.

He is survived by his widow, one daughter, Mrs. T. Harley Marsh of Decatur and one stepson, John G. Reynolds of this city. One daughter, Clarabelle Anderson died three years ago.

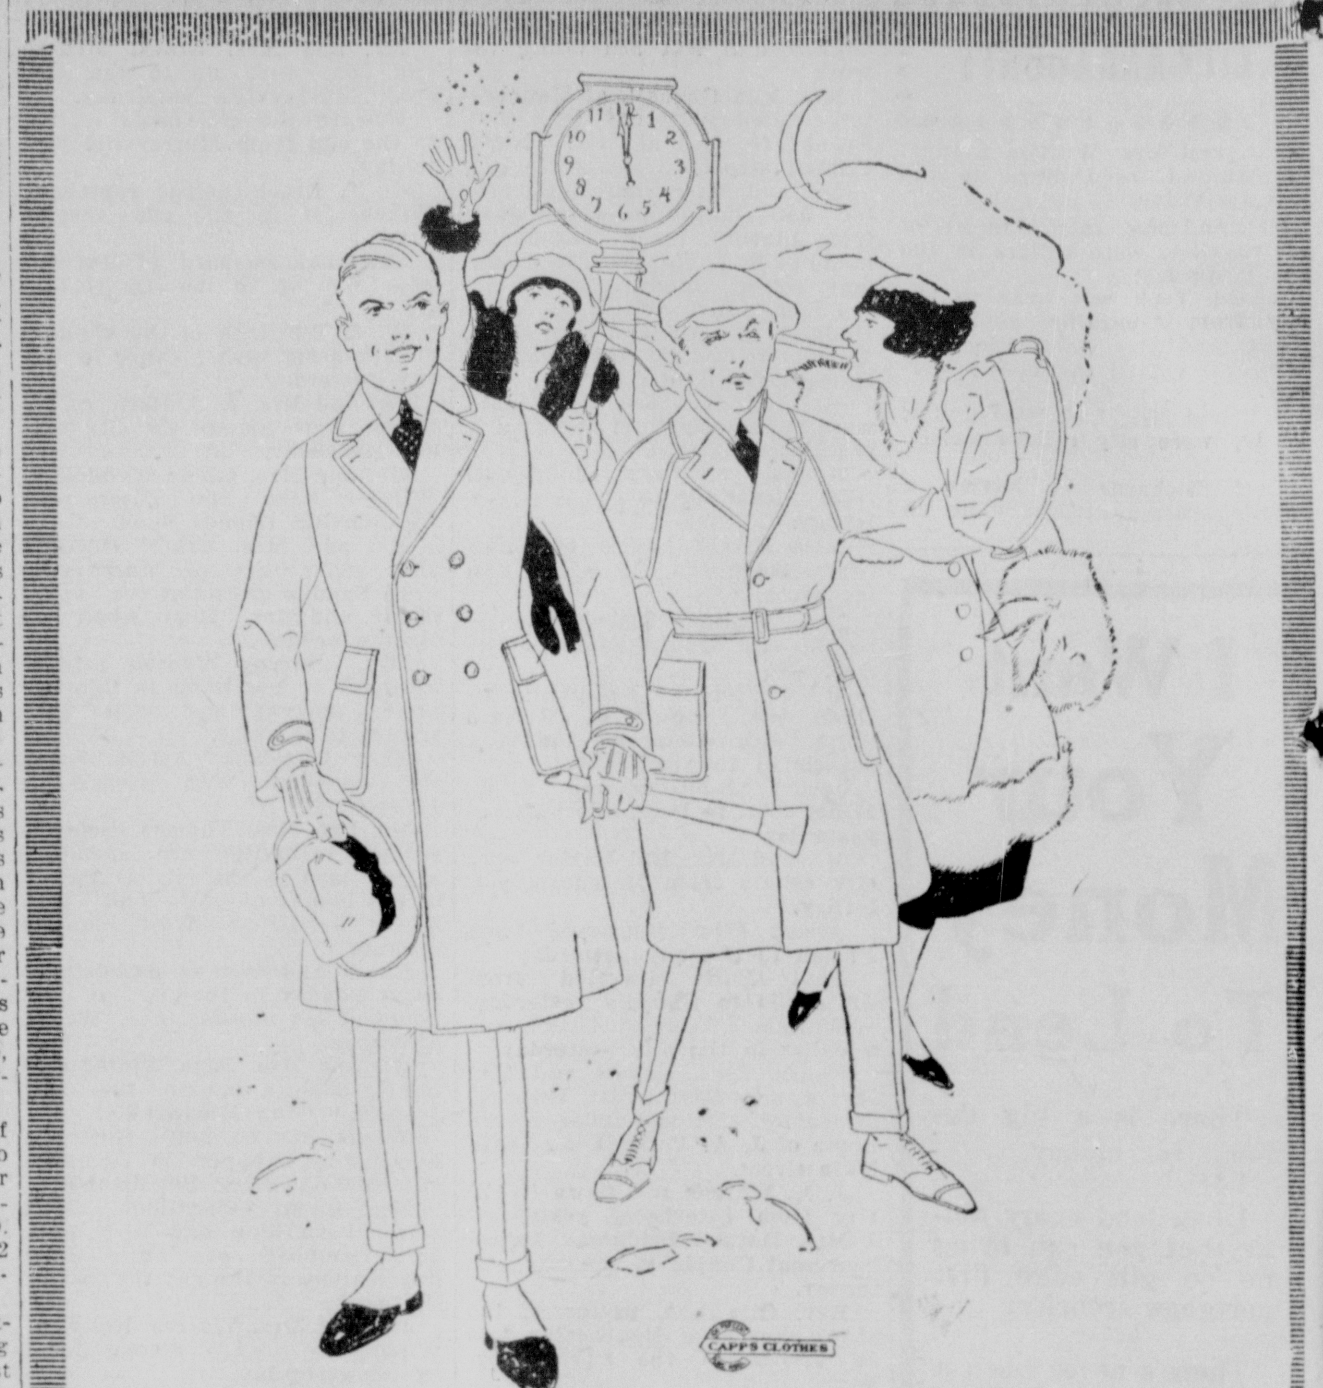

The remains will be brought to this city for burial. Funeral services will be held from the Reynolds Chapel at 10:30 o'clock Thursday morning in charge of the Rev. A. P. Howells, pastor of First Baptist church. Burial will be in the Anderson lot in Jacksonville cemetery.

**DR. HARKER LEAVES FOR NORTHERN TRIP**

Dr. J. R. Harker left Monday night for Quincy to remain until today on account of the illness of his daughter, Mrs. Mark Hunt, who is at Blessing hospital, threatened with typhoid fever. Mrs. Harker has been there for several days.

Tomorrow Dr. Harker will be in St. Paul to make an address at Hamline university and on the day following will go to Fargo and Grand Forks to attend a meeting of the college commission on courses of study as related to that area.

Still later in the week Dr. Harker will go to Detroit, Mich., as a delegate to the National Methodist conference. This is an unusual gathering and is called by special action of the Methodist

## FIRST OF FORUM LECTURES GIVEN

"Undefeated Enemies of Democracy" Were Discussed by Judge Fred G. Bale at Congregational Church.

The first one of the series of the forum courses at the Congregational church Sunday night was worth all the whole course will cost. The congregation was large and all were deeply interested. The program began with a rare musical treat. The orchestra from the State School for the Blind was present with Fred Myers, the talented leader. This gentleman favored the audience with some violin solos and then the orchestra played two of his compositions which were in themselves fine and excellently rendered.

The pastor welcomed all and hoped the effort of the forum would be a success. The speaker of the evening was Judge Fred G. Bale who told of some undefeated enemies of democracy. Before beginning his subject he took occasion to compliment most highly the music and recent additions to

the church facilities in the way of the additions which have been made and the opportunities they offer for the improvement of the young. He emphasized the fact that to the church we must look for advances and improvement for without the religion of Jesus Christ no nation can prosper or advance.

The theme was "Some Undefeated Problems In Our National Democracy. These problems cannot be successfully solved if we leave God out of our calculations and he warmly endorsed the idea of the forum that under the auspices of the church such vital subjects may be discussed.

Democracy is built on the words in our Lord's Prayer, "Thy Kingdom Come." When the disciples asked who would be greatest in His kingdom He set a little child in their midst. Democracy moves on the feet of the children. There is one thing far more important than armaments, armies and navies, indispensable as they are and that is the proper education of the rising generation and suitable care for the young. Go to the slums of the cities and see the wretched tenements in which many are huddled into one room. Imagine the vast army of underfed and under-nourished.

Nor do we need go to the under-cities to find them for they are everywhere to be seen in all cities. It is right to send food to the starving children abroad but at the same time we should feed the children at home.

The physical welfare of the rising generation is not properly conserved. Think that two out of five of young men offered for army service were rejected. What a comment. We should do more than have mere athletics in which but a few have part; the pupils all should have their bodies well developed.

**The Military Evil.**

Another evil that confronts our nation is the secret cultivation of a military spirit. One great factor in the military disposition of the German people was due to the immense Krupp company which wanted to sell artillery and spent vast sums promoting militarism. There are lying now in each house of congress two bills each contain a similar clause providing that all males of sixteen years and up to 45 shall have six weeks military drill each year and as much more as may be deemed best but there is no mention of the authority which is to decide what is best.

A great evil of the day is the greed for gold. A man is measured by the dollars he is worth and not the good he has done his fellow men. All is subservient to the almighty dollar in all walks of life. We must rise to a higher plane or we are lost. Another crying evil is the increase in the number of defectives and delinquents. It is a serious menace to civilization and if not checked will ruin the land. All states should have rigid laws regarding marriage licenses and not permit persons unfit to enter the marriage relation.

Greatest of all is the responsibility of parents. Far too little attention is paid to the proper education of the young. Mothers should fully educate their daughters in all that pertains to womanhood in season and fathers should do the same for boys. In one court 187 delinquent girls were brought who had gone astray and in but one case had he culprit been properly educated at home.

Parents, know where your boys and girls are at night? Then is when so much evil is done. A gigantic curse of the day is the automobile. Could all parents know the evils to which night riding leads they would be appalled. Parents, you cannot shirk this responsibility and pass it on to some one else. The school teacher, the Sunday school teacher, the teacher all may do their part but in you rests the great work. Cultivate your children; have them confide in you; make them your companions; teach them that home is the happiest place on earth and make it so and we shall have less work for the juvenile courts.

The entire lecture was heard with closest attention and frequently was applauded.

The next lecture, the coming Sunday night will be by Louis Vallis on "The Great Social Awakening and Religion."

## JUNIOR HIGH PUPILS COLLECT OLD PAPERS

Pupils of Junior High School Are Enthusiastically Engaged In Collecting Old Papers, Books and Magazines — Contest to Close Friday.

The pupils of the Junior high school are now engaged in collecting old papers, magazines and books the movement being known as "baler week." It is in reality a contest and the pupils are taking great interest in the project. The contest began Friday and already the pupils have collected over 5,000 pounds of old papers.

In this paper collecting work the school has been divided into eight groups, four pupils from each grade. At the head of each group is a teacher and the competition lies between the different groups and grades.

The paper as it is collected is being stored in a lower floor room of the David Prince and the pupils are pleased to note the rapidity with which the room is being filled. The paper is weighed on platform scales loaned by Bergsneider & Co., the scales being brought back and forth by John Vickery's delivery truck.

A score board at the front of the assembly room is used to announce the report of each day's collections and this board showed the following report for Friday:

Eighth Grade:  
Liberty Truck, boys..... 76 pounds  
Stutz, boys..... 172 pounds  
Pierce-Arrow, girls..... 511 pounds  
Harley-Davidson, girls..... 406 pounds

Total, Eighth Grade..... 1165 pounds  
Seventh Grade:  
Fords, boys..... 312½ pounds  
Marmons, boys..... 1464½ pounds  
Packards, girls..... 642 pounds  
Comets, girls..... 1237½ pounds

Total, Seventh Grade..... 3656½ pounds  
The contest is to close next Friday and it is confidently hoped by the pupils that at least a car-load of paper will have been donated by that time.

## COL. SMITH RECEIVES GOOD APPOINTMENT

The following from the Essex Herald shows the esteem in which Col. O. C. Smith, new managing officer of the School for the Deaf is held in southern Illinois:

"The Herald was pleased to learn that Governor Small has selected Col. O. C. Smith of Benton as Superintendent of the School for the Deaf, at Jacksonville. This is one of the best state appointments, and we are glad to see it come to a Southern Illinois man, and especially to a citizen of Franklin county. The Colonel will enter upon his new duties today. The position will not interfere with his duties as Judge of the City Court, as he can always arrange to be in Benton when the court terms fall due.

Aside from being deserving of this position, Col. Smith is ably qualified to handle the place in a manner that will reflect credit upon himself as well as the administration that is responsible to the people for its welfare. He has served his country well and faithfully during the last two wars, being a volunteer in the war with Spain, and when the struggle with Germany came on, he did his bit both here at home and on the other side.

"He was originally captain of Company F, at Benton and served as such during the Mexican trouble, but when war on Germany was declared, he was promoted as such for a number of months in a "Trench" command.

Later, however, he was transferred to overseas service, and was made a Lieutenant colonel, and of the entire number in the American expeditionary forces, he was the only officer of his rank known to have returned wearing a wound stripe.

"He returned to Benton after the war and entered again into the practice of law, which he dropped when the call to arms came. Later he was elected Judge of the City Court at Benton which he has filled with credit."

**Lynnville M. E. church will give the annual roast duck and plum pudding dinner, served at 12 o'clock Tuesday, Nov. 8, election day; and an oyster supper at night.**

**INTERESTING SERVICES**

The services at the Congregational church Sunday morning were of a peculiarly interesting character. It was truly an auspicious beginning of the church year. Twenty-one persons expected to unite with the church but two were detained away unavoidably but nineteen names were added to the list of members.

The new pastor, according to Congregational usage was enrolled as a member and in that ceremony Rev. R. O. Post, D. D., officiated in a peculiarly felicitous and touching manner welcoming the minister and his wife into membership and at the same time acknowledging him as the shepherd of the flock, a man to whom all would look to as leader in spiritual things.

Communion followed and the entire occasion was one long to be remembered.

## ILLINOIS PLAYS EUREKA FRIDAY

Coach Harmon's Men Face Hard Game With Coach McKenlie's Bunch — Scores of Eureka Games This Season.

Illinois College will face one of the hardest games in her schedule when she meets the strong Eureka eleven on Illinois field Friday afternoon.

It has been many years since Eureka and Illinois met on the football field. In the early '90s the teams met each year and again along in 1902 or 1903 games were played. However, since that time no games have been booked with that school until this year.

Illinois came out of the Monmouth game in good shape, not a man being hurt, except Brown who threw his knee out, and that was an old injury and probably will keep him out for the remainder of the season.

In addition to the players who took part in the Monmouth game Coach Harmon will have Struck and McConnell and possibly Jones half backs who were ineligible for the Monmouth game. This will fortify him in the back field a place which was badly shot up last Friday.

While Illinois realizes that Eureka is strong the men showed the old fighting spirit in the Monmouth game and will start in the game Friday with all the determination to fight from the first to last whistle. If they do this and play the football they are capable of playing, they should win. We believe they will do this very thing and that they will be on the long end of the score when the final whistle sounds.

Eureka has a colored halfback named Reed who played on the Aurora high school team with Weber. He is fast and a dangerous man when he gets loose with the ball. Two other players well

known in this section are Driver and Whittier of Girard. They are heavy weights and their speciality is bucking the line. A delegation of their friends from Girard will be up Friday to see their old favorites work.

The following is a list of the games and scores of Eureka this season.

Eureka, 19, Monmouth, 0; Eureka, 8, Illinois Normal, 0; Eureka, 17, Carthage, 12; Eureka, 38, Illinois Wesleyan, 0; Eureka, 37, Hedding, 0.

## Why Can't You, Too, Be Well and Strong?

**F**EW of us realize how precious good health is until we begin to lose it. To be well is to enjoy life and make good times for those around us. To be constantly ailing is to miss life's pleasures and to look with envy upon our robust friends and neighbors.

Are you one of the unfortunates? Is your health slowly slipping away? It's time, then, you looked to your kidneys! Much sickness of today is traceable to kidney weakness. Its increase is alarming. That's because it's usually unseen or neglected.

But it's easy to tell if your kidneys are weak. You may have only a backache; a lameness, stiffness, or sharp stabbing pains;

dizzy spells, headaches, or annoying bladder irregularities.

If you have these symptoms, suspect your kidneys! Remember that delay may result in serious kidney sickness.

But why dwell on the dark picture? Rather think of the brighter side.

To remedy such a weakness is to add years to your life and to regain the health and strength that enables you to enter life's daily battle with joy and enthusiasm.

If you're ready to suspect your kidneys, read the stories of these Jacksonville people. They tell how they have won back good health through Doan's Kidney Pills, the world's best-recommended kidney remedy. Doan's have helped thousands. They should help you. Ask your neighbor!

## "Use Doan's," Say These Jacksonville Folks:

**B. F. ALLEN**, retired farmer, 852 N. Prairie St., says: "I had a dull, bearing down pain through my back over my kidneys and when I would stoop over, a darting pain would go through the small of my back. My kidneys acted too freely and the secretions were of a reddish color and contained sediment. I knew my kidneys were out of order so I began to use Doan's Kidney Pills as they were highly recommended to me. It didn't take Doan's long to fix my kidneys up in good shape and I was soon rid of the trouble. Since then I take Doan's whenever my kidneys get out of order and they always bring the same good results."

For sale by Long's Pharmacy, 75c. Guaranteed by ZANA PROPRIETARIES Co., Chicago, Ill.

**MRS. R. E. FARLAND**, 633 N. Main St., says: "I had a dull pain through my back that made me feel pretty miserable all over. If I would stoop over I would have a sharp-aching take me in the small of my back that would make it rather hard for me to get straightened up again. I also found that my kidneys acted too freely at times and I knew they were disordered. I had dizzy spells when everything would be in a blur and I would have to sit down to let the spell pass. I heard of Doan's Kidney Pills and got some at Coover's Drug Store. It was not long before they rid me of the trouble. My cure has been a lasting one."

TO INVESTIGATE THE ORGAN QUESTION

The inspired psalmist urged people to praise the Lord with psalteries, harp and cymbal and had the pipe organ been known then he would undoubtedly have included it in the list. The Christian church people contemplate buying a new instrument and to that end a large committee are to go to Peoria today to gain information on the subject. There are to be four auto loads as follows: Rev. M. L. Pontius, Hanson Pontius, Mrs. H. C. Clement, Mrs. Lillian King, Mrs. J. W. Lister, Frank Plouer, Mrs. William L. Fay, Mrs. Frank Plouer, Mrs. Abram Wehl, Mr. and Mrs. Charles Cully, Miss Lizzie Ratia-chak, Miss Carrie Ratia-chak, Dr. and Mrs. C. M. FORUM HEARS FACTS ABOUT SEWERAGE NEEDS

Committee's Recommendation Is Approved — Petition Will Be Circulated Asking That Sanitary District Be Formed.

More than 100 representative citizens of Jacksonville attended the open forum meeting of the Chamber of Commerce held at the C. of C. rooms Monday night. For months past the sewer committee has been gathering information and the comprehensive survey report was presented. After the subject had been presented and discussed, those present instructed the sewer committee to proceed with the plan advocated for the organization of a sanitary district. This means that the committee is authorized to go ahead and secure the necessary 100 signatures, asking that the question of the organization of the district be submitted to a vote of the people within the boundaries of the proposed district.

About eighty persons present for the supper, served by the Peacock Inn, and at least twenty more came in later. Dr. C. E. Black, the Forum president, called the gathering to order, and appointed J. J. Reeve chairman for the evening.

Mr. Reeve took the chair and introduced the chairman of the special sewer committee, J. F. Claus. Mr. Claus made a few preliminary remarks on the work of the committee and then called upon Albert Metcalf, one of the committee to read the committee's report on its investigation of the sewage conditions of the city.

**Sewers Inadequate.**

The committee's report came directly to the point, emphasizing the inadequacy of the present sewage system. Inflowing systems are vastly larger than the outflowing facilities. In many cases where manholes are used, there are several inflowing sewers and no apparent outlets. Even the contributory sewers are inadequate. Any citizen of this city will admit that after a heavy shower it is impossible to cross many corners without actually wading. There is always a large excess of water and the sewers become blocked with debris and soon become foul unless immediately cleaned.

The most direct damage to citizenry is when cellars are flooded. A bad effect of the present system is seen in the city health record. With the aid of a stereograph, tables of health rates in many cities, per hundred thousand, were flashed upon a screen, and Jacksonville ranks among those with the highest death rates. This condition has been proved in many cities to be partly due to inadequate sewage. Time after time when other conditions cannot be blamed, better sewage has resulted in far better sanitary conditions.

In the rehabilitation of the present system, much of the old lines could be used. The new system would be a great saving, although the cost of it would be great. But in the present circumstances the cost of properly keeping the sewage in operation is so expensive that within a few years the amount would meet that required for an improved system, organized in a Sanitary District.

**Method of Procedure.**

According to the state laws, if one hundred of the voters within the proposed district sign a petition, favoring a sanitary district, the issue must be put to popular vote. If, by vote of the citizens express their desire to form such a district, three trustees are to be appointed by the county judge. These trustees are appointed with full power to act in carrying out the enterprise, and the project will be entirely in their hands of this board. They are required to give bond, and have full power to borrow money, and to issue bonds therefor, but shall not become indebted for any purpose to exceed five per cent of the assessed valuation of taxable property, as ascertained in the last assessment before the indebtedness was incurred. The sanitary district will have power to control pollution of that district's water supply, from sources outside the district, and will be backed by the State Board of Health.

**The Proposed Boundaries.**

The proposed district as outlined by the committee takes in all of Jacksonville, and such outlying sections as affect the sanitary conditions, or which may be likely to become a part of the city in the near future. The whole plan is based upon a system that will be adequate to meet Jacksonville's utmost needs for 35 or 40 years. A map will be shown at a later date, showing the boundaries of the proposed district, with explanations. The work of the board of trustees of such a district is taken care of by the most efficient legal methods, insuring the maximum return for the minimum expenditure. Those present at the Forum were impressed with the feasibility of the plan as outlined by the committee. Many questions were asked, all of which were satisfactorily answered.

At the conclusion of the report and following questions, Mr. Reeve called for a motion expressing the Forum's attitude. Mr. Thomas Worthington moved that the sewer committee proceed with its activities to form an organization for the proposed sanitary district. The motion was seconded and carried without a dissenting vote.

Following the motion Mr. Reeve, upon motion, adjourned the Forum.

ROYAL NEIGHBOR OFFICIALS HERE

Will Inaugurate Membership Campaign for Star Camp and Athens Camp—Expect to Hold Booster Meetings

Mrs. Dell Newton, of Peoria, state supervising deputy of the Royal Neighbors of America; Mrs. Belle Potts, of White Hall, and Mrs. Blidie Morris, of Springfield, district deputies of the order, arrived in Jacksonville yesterday.

They are here to inaugurate a membership campaign for Star camp, No. 171 and Athens camp, No. 4980. They met a number of the members of the two camps Monday evening at the home of Mrs. E. A. Olds and plans were talked over informally.

It is expected that a number of booster meetings will be held and the officials will be here for some time. Mrs. Newton and Mrs. Potts are both well known in the work of the order and have many friends among local members of the organization.

ARMISTICE DAY ARRANGEMENTS

Committee in Charge Held Meeting Monday Night—Plans Point to Great Parade.

The Armistice day committee, which represents the Rotary club, Kiwanis club, Ministerial association, public schools, Chamber of Commerce, Service Star legion and the Automotive Dealers' association, are rounding out the plans for the great Armistice day celebration, November 11. The parade committee met last evening at the school for the deaf, and the plans they are making are stupendous.

The parade bids fair to be the greatest ever seen in this city and will have many unique features. The final arrangements have not been made but will be published as soon as possible. The committee wish it announced that they want hundreds of cars, and want them decorated with American flags only. They invite not only the city residents to take part, but also the county residents.

Col. O. C. Smith will be the grand marshal, with C. Justus Wright as aide, and the other marshals will include C. L. Read, Henry Strawn, Tom Buckthorpe, Frank Imhoff, Charles Strawn, Charles BBlack, and J. A. Ayers. Stanley Wright is chairman of the parade committee and it is through his and Colonel Smith's efforts and direction that the extensive preparations are being carried out.

SIGMA PI SOCIETY MET MONDAY NIGHT

Sigma Pi society held a regular meeting last evening. A splendid program was given before a large attendance. The program was:

Declarations—Fiedling. "At the Grave of Napoleon." Weber. "Shooting of Dan McGrew."

Readings—Fraser, "Disarmament Conference." Antrobus. "Miranda on Enemies."

Essays—Burrus, "Distance and Dimension of the Sun." Mellon. "One Friendship." Green. Ferreira and Peters extemporize on "The Nation-Wide Railroad Strike."

An unusually good debate was held on the subject, "Resolved, that there should be a single standard of conduct for men and women." The affirmative was upheld by Shipley and Carter; the negative by Thurmon and Hobson. The decision was awarded the affirmative while the merits were given the negative.

William Roberts, Wilbur Ribelin, and Kenneth Hiatt were voted into membership of the society.

MINISTERS HEAR DR. CARL E. BLACK

The Jacksonville Ministerial ing, at which time the members association met yesterday morning heard an interesting discussion of "Cancer," by Dr. Carl E. Black. Following his talk the ministers voted to have the subject brought before their congregations on Sunday, November 20 members of the Morgan County Medical association will appear in the churches and talk on this subject. The association also announced that the Thanksgiving service will be held in Grace M. E. church and that Rev. M. L. Pontius will deliver the sermon.

The paper for yesterday's meeting was prepared by Rev. C. D. Robertson, on the subject, "A View of the Atonement."

MILK ORDINANCE PASSED BY COUNCIL

Ordinance Safeguarding Milk Supply Has Dealers Approval—Monthly Officers' Reports Presented.

At the session of the city council held Monday night the revised milk ordinance was given a first reading and its adoption is expected at the next meeting. This ordinance was approved by a joint committee representing the city council and the milk men's organization.

The roll call at the council showed Mayor Crabtree, City Clerk Scott, Aldermen McGinnis, Flynn, Ehnie, Cain and Rowe in attendance. The usual preliminary business was given attention. Alderman Ehnie stated that he had an interview with Mr. Cohen of the Jacksonville Reduction Co., who had agreed to install certain equipment that will do away with the offensive odor from the plant of the Reduction Co. The alderman stated that in this connection it should be remembered that the plant is of value to the city, affording as it does a place for the disposal of dead animals. In some cities it is an expense to secure needed facilities of the kind.

A letter was read from the state health department in reply to a complaint made by a resident of the east part of Jacksonville concerning the reduction plant, indicating that this was a matter to be handled by city ordinance.

Perry White, superintendent of streets, reported some work done in the tarvia on Mound avenue outside the city limits. The total expense was not more than \$70 and Mr. White said that by instruction of the mayor he had informed H. M. Capps, who on behalf of property owners had asked that the work be done, that there would be no charge made. This action was taken because Mr. Capps and other property owners there have for two years voluntarily paid the vehicle tax, and it seemed only fair that a sum no larger than that paid in should be expended on the street.

Mr. Capps in a letter expressing the appreciation of the property owners said: "I want to say that the residents appreciate very much indeed the generous attitude taken in regard to the road improvement, and hope that next year there will be a larger number of car owners voluntarily paying the fee." Mr. Capps accompanied the letter with checks from five residents of Mound avenue for \$5 each, and said that he expected others to be sent."

Alderman McGinnis made a complaint because of ashes piled at certain places on East Court street. The matter will have the attention of the health department.

The milk ordinance was considered by Aldermen Rowe, Ehnie and Flynn with the following representatives of the milk men: E. McPhail, Howard Stevenson, I. W. Theobald, W. J. Moore, J. N. James, J. M. Starr and H. J. Rucker, assistant county agent.

City Attorney Bellatti drew the original ordinance and was in conference with the committees with reference to the revision made. The ordinance provides a small license fee and places the milk supply under the direction of the health warden. Certain requirements are made as to quality and there are other requirements purposing to make the premises where milk is produced sanitary. All utensils and other equipment must also comply with rules and regulations. The ordinance when passed will become effective January 1.

**Officers' Reports.**

The report of W. H. Cobb, water superintendent, showed total collections of \$5,665.75. Of this sum \$259.44 was from miscellaneous sources and the remainder from water rents.

The report of the health warden showed a total of 35 death in the city and 11 at the insane hospital. The different ages were: under 1 year, one; 5 to 20 years, one; 20 to 50 years, fourteen; 50 to 70 years, seventeen; over 70 years, ten. The following contagious diseases were reported: chicken pox, one; typhoid fever, two; scarlet fever, two; tuberculosis, two.

John E. Pires, sexton of Jacksonville cemetery, reported nine graves made during the month, and Harry Summes, sexton of Diamond Grove cemetery, reported eight graves made.

City Clerk Scott reported receipts thru his office, \$347.10; Diamond Grove cemetery, \$661.45; Jacksonville cemetery, \$149.85.

Frank Tendick, superintendent of the garbage department reported for three months receipts of \$112.64, disbursements \$1,284.50.

The report of Frank Kiloran, chief of police, showed the total number of arrests made during the months as 27. The fines collected amounted to \$135.20. The arrests were for the following causes: disorderly conduct, 3; abusive language, 2; assault, 4; bootlegging, 3; drunkenness, 6; speeding, 1; assault and battery, 3; vagrancy, 3; forgery, 1.

BUDGET CAMPAIGN COMMITTEE MEETING

The United Budget campaign committee met at the Chamber of Commerce yesterday afternoon to continue their preparation for the big campaign. They were occupied at this time with the work of drawing up the forms for the pledges to be used in the campaign. They had nothing definite to announce at this time.

THE ELECTION TODAY

As Justice of the Peace I have in the past tried to do my duty faithfully and it elected again today will earnestly seek to merit your approval. Your support for myself and associates will be appreciated.

## MYERS BROTHERS

### PHI ALPHA HELD REGULAR MEETING

The Phi Alpha literary society of Illinois College had a regular meeting last night at which time the following program was presented:

Essayists: Graves—"The World Friendly or Unfriendly." Pinkerton—"Liberty, Equality and Fraternity." Theis—"Social Activities." Declaimers: Gunn—"Love of Country." Butler—"The Tomb of Napoleon." Howard—"The Triumph of Peace."

Orator: Nichol—"Beginning at the Wrong Place."

Select Reader: Giberson—"The Chair of Philanthropematics."

Prof. Poage—"Disarmament." Pinkerton—"Dante." Woods—"California."

After a ten minute recess the following question was debated: Resolved: "That the miser is more harmful to society than the spendthrift. The affirmative was upheld by Weaver and Butcher and the negative by Grunty and Sellers. The judges' decision was in favor of the affirmative. The merits did not go with the question.

During the meeting the following men were taken into membership of the society: Rubendal, N. Henry, Parker and Ebrey.

### AT WESTMINSTER CHURCH

At Westminster church Sunday Rev. A. F. Ewert, pastor of Central Presbyterian church at Chicago, filled the pulpit. Mr. Ewert's Sunday morning theme was "The Kingdom of God is Within You." A large audience was present, including many friends of Mr. Ewert who are not members of the church. They found his logic convincing and his eloquence most inspiring. At the night service the Chicago minister made an appropriate address on the film shown.

Mr. Ewert has been with the Chicago pastorate less than a year but is making an exceptional record there, with more than 150 accessions to the church since January 1.

### INQUEST IS HELD IN BARTON DEATH

The jury empaneled by Coroner Rose to inquire into the death of Charles H. Barton, of White Hall, who died of injuries received while working for the Chicago & Alton railroad, met Monday at the undertaking parlors of J. H. O'Donnell.

After hearing the evidence the jury returned a verdict of accidental death and placed no blame for his demise. The jury was composed of J. H. O'Donnell, foreman, Frank Sullivan, Frank Reed, Michael Shanahan, E. F. Peterson and William German.

Stewart Sparger came to the city from Pisgah yesterday.

### KIWANIS CLUBS HAD GREAT CONVENTION

About 600 delegates attended the convention of Kiwanis clubs of Illinois and eastern Iowa, held in Aurora. State's Attorney Carl E. Robinson, one of the returned delegates, said yesterday that the gathering was one of very great interest.

One of the features was the address by Harry E. Carr, of Baltimore, who is the international president. He made a strong argument for enthusiastic support of the "on-to-better-business" movement.

In Chicago, Mr. Robinson had the pleasure of a glimpse of Marshal Foch.

Mr. and Mrs. F. E. Farrell, who attended the convention, are visiting friends in Chicago, and Dr. Thomas W. Smith, another delegate, occupied the pulpit of the Central Presbyterian church there Sunday.

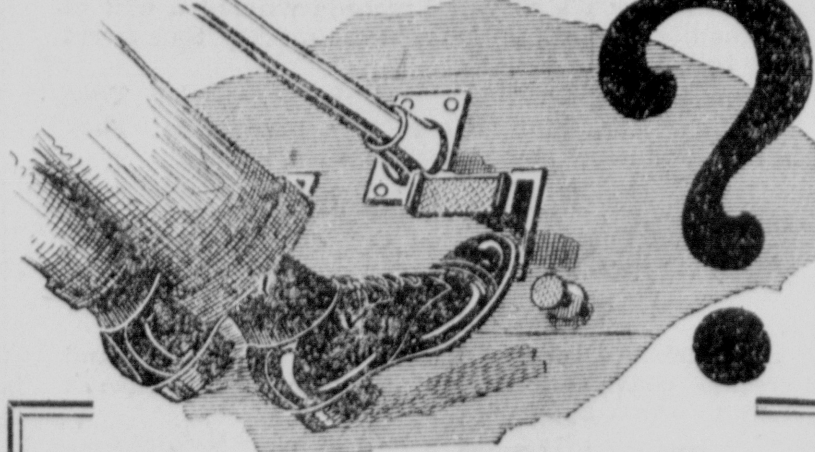

Local members of the Kiwanis organization will be interested in learning that Dr. F. A. McCarty, of Bloomington, was elected district governor.

### MR. CAPPS' WILL FILED

The will of the late Joseph L. Capps was filed for record Monday in the office of County Clerk G. L. Riggs. After making some minor bequests, Mr. Capps made practically an equal division of his property, both real and personal, between his sons, Herbert J. and Leland, who are named executors of the will.

The document was made March 18, 1918, with John J. Reeve and Lina Epperson as witnesses to the signature. Mr. Capps' personal property consisted largely of stock in J. Capps & Sons.

### A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, nervous feeling, all cut (cure) in five bowls, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 15c and 30c.

IN EVERYTHING

Calumet Baking Powder is

First in Quality

—received highest awards at the World's Pure Food Exposition, Chicago, Illinois; Paris Exposition, Paris, France.

First in Results—never fails to produce pure, sweet, wholesome foods.

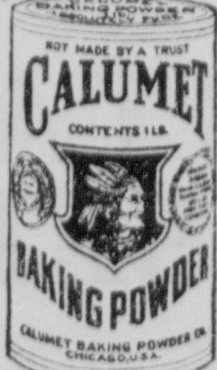

First in Purity—contains only such ingredients as have been officially approved by the U. S. Pure Food Authorities.

First in Economy—moderate in price when you buy it. Contains more than the ordinary leavening strength—therefore you use less.

First in millions of homes where "nothing else" will do.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

### OBITUARY

Mary J. Crawford was to be the home of her redeemer Friday evening Nov. 4, 1921. After an illness of six weeks duration. She was a daughter of John and Julia Wilkinson, born near Scottville, February 24, 1848, being 74 years, 8 months, 11 days old. She was united in marriage to Sarge Crawford who preceded her in death March 3, 1916. This union seven children were born. Six survive. They are Johnne, of Hartland, Mrs. Chas. Gordon of Palmira, Luther and Elmer of Orleans, Eddie located at present at Detroit, Michigan. Gussie of Modesto. Twenty-five grandchildren, sixteen great-grandchildren, two sisters, Mrs. Anna Williams of White Hall, Mrs. Anita Beerup of Jacksonville, John Wilkinson, a brother, died one month ago.

Since the death of her husband she had made her home with her daughter. She united with the church early in life and was a true Christian, loving mother and will be missed by a host of friends and other relatives.

Funeral was conducted at Hart's Parlor church Sunday afternoon at 2 o'clock by Rev. J. E. Curry of Waverly. Music was furnished by church choir. The beautiful flowers were cared for by her granddaughter, Mrs. Estelle Seymour, Mrs. Avis Chaudoin and Mrs. Lela Roach, assisted by Mrs. May Hiles of Jacksonville.

The pall bearers were Grandsons, Earl Crawford, Russell Gordon, Sammy Gordon, Raleigh Crawford, assisted by Earl Hayes and Wilbur Cherry.

All the near relatives were present at the funeral except Rev. Eddie Crawford and wife and two children.

A family reunion was held in June before Rev. Crawford and family departed. They expect to sail to Asia for missionary work in the near future, being located at Detroit, Mich., at present.

## Little Children Brighten Homes

EVERY young couple starting out in life has visions of joyful hours spent before the fireside with healthy, happy children; but, alas, how often young women who long for children are denied that happiness because of some functional derangement which may be corrected by proper treatment. Lydia E. Pinkham's Vegetable Compound is just the medicine for these conditions, as the following letters show:

McDonald, Ohio.—"I suffered from a displacement, a weakness, and a great deal of pain. The doctor said nothing would help me but an operation. He said I could never have any children because I was too weak."

"I had often heard of Lydia E. Pinkham's Vegetable Compound, so I tried it and it helped me. Now I am in the best of health, do all of my own work, and have a lovely boy six months old. I recommend your medicine to my friends and you have my permission to use this letter."

Mrs. J. C. EAGLESON, 429 Garfield Ave., McDonald, Ohio.

Mesa, Colorado.—"Ever since I was a young girl I suffered from a great deal of pain every month. I tried different medicines, but only got relief for a short time. I had been married seven years, and wanted a child, but was not well enough. My mother advised me to try Lydia E. Pinkham's Vegetable Compound as it had helped her, and I am happy to say it restored my health, my pains disappeared, and I have a fine little girl. I advise all women who suffer as I did to try Lydia E. Pinkham's Vegetable Compound."—Mrs. F. C. WILDER, Box 94, Mesa, Colorado.

Many such letters prove the reliability of

"M. W."

It is not the custom to confer the degree of M. W. on the man who is a Master of Wiring, but it ought to be. Then you'd know what calibre of man to select for the job and what kind of wiring you'd get as the result.

Although no university has ever conferred the degree of M. W. on us and probably never will, our experience easily enables us to adopt those two letters as our token of reliability.

Whether M. W. appears after our name or not we indelibly stamp it on the wiring and on the electrical work which we conscientiously do.

## MATERIAL UPURNS IN PRICE OF WHEAT

By Associated Press.  
CHICAGO, Nov. 7.—Material upturns in the price of wheat took place today owing more to news of frost reports from Argentina and to indications of export demand for Japan and other non-European countries. The market closed unsettled 1 1/2 to 2¢ higher, with December \$1.03 to \$1.03 1/2 and May \$1.08 to \$1.08 1/2. Corn gained 1/4¢ to 1¢ and oats 1/4 to 1¢.

La provisions there was a set-back ranging from 10¢ to 32¢.

At first the strength in the wheat market seemed based on the being based chiefly on news of Argentine frost which was accompanied by any damage. Approaching midday, however, a sharp advance was forced by free buying which was construed as due in part to short covering for Liverpool account.

Simultaneously gossip became current that Japan and India had been purchasing on a liberal scale, Japan for the most part taking Canadian wheat. An error in the United States visible supply figures relating to Baltimore stocks counted also to some extent as a bullish factor, besides country offerings in Canada as well as in this country were reported light and smaller receipts at all points were noted as compared with a year ago.

Corn and oats derived their gains from sympathy with wheat. Sales both of corn and oats to go to store were announced.

Lower quotations on hogs had a weakening effect on provisions. Lead especially was under heavy selling pressure from commission houses.

## FAIRLY ACTIVE TRADING IN BONDS

By Associated Press.  
NEW YORK, Nov. 7.—Tomorrow's recess and prospects of another holiday (Armistice Day) the latter part of the week caused a visible diminution of business on the stock exchange today.

There was fairly active trading in bonds, however, some of the activity is due to mounting new high records for the year. Several realizing sales by speculative interests caused a moderate set-back.

Other incidents of an otherwise professional session included the renewed firmness of money rates, call loans rising from the initial five per cent rate to six per cent in the afternoon and the further acute collapse of German marks to a level below three cents.

Sales amounted to 500,000 shares.

The minimum figures reached by the German marks during the session was 32 (this precipitating reaction in Austrian and Hungarian bills. Of the more exceptional remittances sterling receded slightly, other European quotations showing little alteration but far eastern rates continued to ease.

Profit-taking in Liberty bonds and other government issues did not extend to the industrial list some of that class notably United States Steel 5s showing strength. High class rails also reflected substantial support.

Internationals for the most part were higher. Total sales (par value) \$18,250,000.

BEARDSTOWN BOY  
SHOOTS HIMSELF

Virgil Ruppel Inflicts Wound in Head With Revolver—Weapon Was Discharged Accidentally

Virgil Ruppel, aged fifteen, son of August Ruppel, of Beardstown, rural route number two, was brought to Passavant hospital late yesterday suffering from a severe revolver wound in the head. The boy in some way shot himself with a small calibre

revolver, the bullet penetrating his eye and entering the head. According to the report of the boy's father, Virgil was alone in the house and Mr. Ruppel heard a shot and then heard the boy moaning. Mr. Ruppel rushed to the house and found the lad with the revolver in his hand. When asked if he meant to shoot himself the boy replied, "No, I didn't mean to. The gun went off and shot me in the head."

Dr. Schweer, of Beardstown, was called and the boy was rushed to Passavant hospital. X-rays were taken and it was found that the bullet had lodged in the skull.

At latest reports, the patient was in a serious condition. The boy's mother is dead.

**FOR SALE**  
Range, oil stove, rugs, davenport, beds, dresser, refrigerator, other articles. Sale Nov. 7th, 1921.  
MRS. M. R. FITCH  
Mound Road

**WRITES ABOUT CINCH BUGS**  
A. N. Hall, of route number four, has written the following communication to the Journal, with reference to cinch bugs: "In husking shock corn, I find lots of cinch bugs that have harbored in the shocks, but they seem to be dead. I have also noticed lots of lady bugs and small spiders in the shocks, and

thought perhaps that their presence had something to do with the death of the cinch bugs, or perhaps there was some other cause. Anyhow, it seems unusual, for I have known the cinch bugs to survive through very severe winters, and when brought into the warmth, they soon thaw out and begin to crawl about. The likelihood is that we will not be bothered with them soon again.

**ANNOUNCEMENT.**

POOL ROOM BURNS AT  
ALEXANDER SUNDAY

Flames Destroy One Story Building at Early Hour Sunday Morning—Other Alexander News Notes

Alexander, Nov. 7.—Flames completely destroyed the pool room operated by Mr. Dixon here, the fire being discovered about 5:30 o'clock Sunday morning. The building, which is a one-story frame structure, was owned by Mrs. Mary Wagner, and was located a short distance south of the Wabash track. A cattle car which was standing in front of the building was also destroyed by the flames.

The fire had gained such headway when discovered that it was impossible to save the building, and all efforts were bent upon protecting nearby buildings. The origin of the fire is a mystery.

It is understood that some insurance was carried on the building and its contents, but not enough to cover the entire loss. Mrs. William Kumble, Jr., and son, Robert William, returned home Sunday from Our Savior's hospital in Jacksonville.

Mr. and Mrs. F. J. Kaiser and family spent Sunday at the home of James Corrigan at New Berlin.

REVIVAL STARTS AT  
MANCHESTER CHURCH

Special Series of Meetings in Progress at M. E. Church—Other News of Interest from Manchester.

Manchester, Nov. 7.—A series of revival meetings began at the M. E. church Sunday evening, in charge of the pastor, Rev. Olin Lee, assisted by other ministers. Rev. Mr. Crump of Roodhouse filled the pulpit Monday evening and will be heard again Tuesday. On Wednesday evening, the district evangelist, Rev. D. C. Linton, will deliver the sermon. The interest and attendance Sunday night were such that there is every indication that the series will bring good results.

Mr. and Mrs. Bert Loveless of Carlville motored over Sunday and spent the day with Rev. and Mrs. Fred Peek. Mrs. Loveless remained for a longer visit.

Rev. Fred Peek, who is conducting a meeting at the Nortonville Baptist church, spent Sunday with his family here. He reports a splendid meeting at progress at the Nortonville church, with twenty-seven conversions to date.

Mr. and Mrs. William Killam of Hettick are here for a visit with Rev. and Mrs. Olin Lee.

Rev. Olin Lee, William Killam and Dr. J. W. Weis motored to Jacksonville Monday afternoon. James Preston, clerk in Chap-

man's store, met with a painful accident Saturday. He was helping unload a car of flour and feed for the store and in some manner caught his hand in such a way that it was badly mashed. He will be kept from his duties for some time.

E. L. Maine returned Sunday from Beardstown, where he attended the funeral of his uncle, Zura Maine.

Ralph Harney left Sunday evening for Hutchinson, Kans., after a visit at the home of his aunt, Mrs. Elmer Sooy. Mr. Harney accompanied the remains of the late John Wilson from Hutchinson last week.

Mrs. Anna Caldwell and niece, Miss Emily McCracken, were White Hall visitors Saturday.

Mrs. Etta Hawkins visited her daughter, Mrs. Harold Marsh, at Roodhouse today.

**ROYAL NEIGHBORS  
STAR CAMP NO. 171**  
Important meeting tonight. State and district deputies to be present. Large attendance desired.  
Olga Perry, Oracle.  
Mary A. Olds, Rec.

Eliza Hierman was a business caller in the city yesterday from Concord.

Mrs. Mary Rawlings of Roodhouse was a visitor in the city the last of the week.

WOODSON

The Ladies Aid of the Woodson Christian church will serve burgoo soup, sandwiches, pie and coffee at the church today.

Mrs. Herring has returned to her home in Denver, Ill., today after a visit with her sister, Mrs. I. H. Fuller, in Woodson. Mrs. Fuller accompanied her sister to her home for a brief visit.

Mr. and Mrs. B. R. Bishop of Jacksonville, Mr. and Mrs. F. E. McCauley of Strawn's Crossing and William Clegg of Murrayville, were guests Sunday at the home of Mr. and Mrs. Edward Gallagher. Guests at the Gallagher home Sunday afternoon were Mr. and Mrs. George Thompson of Jacksonville, Mr. and Mrs. Maurice Thompson and family of Prentice.

**ATTENTION  
AMERICAN LEGION**  
Meeting tonight at 7:30.

**WILL DRIVE TO MICHIGAN**  
Mr. and Mrs. Frank Foote spent Sunday at the home of George Green on Sandusky street. Mr. Foote is a dredge contractor and he has been engaged in work at Arenzville recently. The work is completed however, and he and his wife will leave this week for their home in Deckerville, Michigan. They will make the trip in a Buick which Mr. Foote recently purchased.
